FAREWELL

As our thoughts turn to the future when we will be graduating, we sadly and joyously reminisce over by-gone years spent at C.T.H.S. These four years have been glorious and will remain unforgettable in our hearts.

And now, after studying, training, and planning for our careers, the time has come for our departure. To our dear Alma Mater, to the faculty, classmates and friends, we bid a fond farewell.

We seniors in saying farewell to our school days are sincerely thankful:

To our parents for providing us with a high school education.

To our Alma Mater who has guided us faithfully and taught us the necessities of coping with ever day needs in life.

To our class sponsors for their deeply appreciated assistance in our school affairs.

To the Faculty for their advice and interests in us all.

To our schoolmates for being such fine friends.

To the School Board for providing a building well equipped.

To those who have aided us in the production of our yearbook we express our heartfelt thanks. . .

To the faculty and student body for their fine co-operation.

To the merchants for their willingness to help.

To Penn State Studio for their fine photographs.

We wish you success in all your efforts to edit a book worthy of the school.

It is the ambition of the Board of Education to keep the school up to the high standards for which it was instituted, so that each year it may send out a class better prepared to take a place in the activities of world affairs.

The Board of Education wishes this school to maintain Americanism as set forth by our forefathers. We aim to keep those ideals free for future generations and to guard against false doctrines which aim to destroy our way of life.

To this end we pledge our continued support and cooperation.

One of the new additions to the fine equipment in our high school is the new Inter-Communication System which was completed a few months ago.

The following sentences are taken from the descriptive brochure on the new system: "Model S-81 is a table model Centralized Sound System Designed for, and priced within the budget of the medium sized institution. It has a capacity for handling up to 80 room speakers and the system will distribute a microphone, radio, or recorded program to any group, or all room speakers. An independent inter-communicating system allows two-way conversation between the main office and any room or all rooms simultaneously. The phonograph unit, which is housed in the main cabinet when not in use, plays 10-inch and 12-inch records and the recorded programs can be distributed to any of the room loud-speakers desired. A single button emergency call switch allows immediate call over the entire system irrespective of any switch settings or program in progress."

Undoubtedly many new uses and values of this equipment will be revealed as it is used. It is the sincere wish of the Board of Education and everyone who has planned and worked to make this dream come true, that the students of Cumberland Township High Schol may be aided in serving a better education through its use.

THE BEST YEARS OF OUR LIVES

The autumn of "44" was the beginning of another school year. To a group of anxious freshies it meant a dream come true, that of being in high school.

We took our initiation, which was not too severe, in our stride and settled down to become an integral part of the school. We elected homeroom officers who represented us in the student council. Many of the boys set out to take part in fields of sports with the determination to make good. Other members of the class began active participation in clubs and organizations. We were the last group of freshmen to enter while Mr. J. V. Ridenour was principal. It was during this year that death had come to our principal. Mr. Venen, who was at that time chemistry teacher and head coach, ably filled this vacancy.

Just three short months later in the fall of '45, we returned as confident sophomores with a definite goal in mind. We elected Dominick Christy as president. Charles Koral as vice president, Dolores Bankovich secretary and Jack Hartley, treasurer. At the same time we chose our class flower, the gardenia, our colors, and motto; "We Can and We Will." As sophomores we were not too active, but we managed to hold a few sweater hops.

On a glorious September morning of "46" we again returned to C.T.H.S. as happy-go-lucky juniors with an entirely new spirit, now that we were upperclassmen. To lead us we elected as president, Frank Bodnar; vice president, Dominick Christy; seceretary-treasurer, Dolores Palcko.

Our first big social event was the Yuletide Dance in the gym with the dreamy music of Bill Francis. This event was a success both socially and financially. Then in order to further swell the exchequer, we sold the Greene Countain, a local newspaper, which contained C.T.H.S. news items furnished by members of the class. Several junior boys gained recognition for their fine showing in sports. Scholastic honors were bestowed on Charles Koral who won second place in an essay Contest sponsored by Cancer Society, and two junior girls Dolores Palcko and Emily Gusich who won second place and tied for third place respectively, in the Historical Contest held at Waynesburg.

Another year had gone by and we found ourselves returning to C. T. H. S. to complete our final year, that well known senior year. To lead us we chose Frank Bodnar, president; Jack Schlifer, vice president; Betty Markulic, secretary and Dolores Palcko, treasurer. First on the agenda was the taking of pictures for the year book. Next came the red letter day February 7, on which we held the Coronation of King and Queen of Hearts chosen from our class. John Paoli was chosen king and Catherine Baresich, queen. Following the Coronation we sponsored a dance in the gym, with music by Sammy Castle. Everyone will admit it was ended a huge success and an enjoyable time was had by all. As the Cumberlander goes to press, plans are being made for the prom, the climax of events. We are sure it will be a memorable occasion one which we shall never forget.

We are indeed proud of our senior boys who played a major part in winning the Greene County Championship in football. Those to whom this applies are Calistis Anderson, Andrew Bandish, Frank Bodnar, Joe Markiewich, Charles McKeever, Robert Olchesky, Robert Pakish, Tom Pevarnik, Richard Waine and John Paoli. Dominick Christy and Robert MtJoy share honors in playing their best in basketball.

But now after recalling these important incidents of the past four unforgettable years, we look into the future when we will be solemnly marching up the aisle to receive our diplomas and take our places in the world which has greater challenges to offer than we have heretofore met. As we depart to face our new sphere of life, we will ever remember our class motto "We Can and We Will."

CLASS PROPHECY

You will all, no doubt, recognize my name, IGNATIUS GRINDSTEIN, as the most brilliant scientist of today. My last invention is my "Genius Machine" which will make a genius of anyone, even a moron. I am greatly patronized by students—especially those of C.T.H.S. Today as I checked my "Time Machine" I found it in working order. I stepped into the machine, set the dials for 1958, closed my eyes with a sigh, and turned on the switch. As it started I screamed!!! Various hideous scenes flashed before me. I blacked out immediately, but as I regained my consciousness everything looked so peaceful that I soon stopped my violent shaking and proceeded to investigate my findings. I soon saw people moving about. "Gee, they look familiar," I said aloud. I recognized someone; yes, that's she. "Hey, Em!" I yelled. Funny, she acted as though she didn't hear me. I called again. After going through the same procedure again and again and receiving no answer, the full impact of the situation hit me. Through the efforts of my machine I had been transplanted to 1958. I could see and hear my friend but they could neither hear nor see me. No thoughts of how I would return to 1948 entered my mind as I viewed the future actions of the Class of '48 of C.T.H.S. I sat wide-eyed, watching and this is what I learned:

Rose Alexander can be heard daily on the radio doing commercials using that well known laugh.

Calistis Anderson has been appointed head coach of Notre Dame. Several members of his squad are former students of Cumberland High.

John Bair was recently appointed game warden of Greene County because of his outstanding achievement in taming polecats.

Dolores Bankovich is another Florence Nightingale and is on the hospital staff of the largest hospital in Nemacolin.

Betty Bankovich, who has finally found a vacant attic in the vicinity of Carmichaels, has married and settled down to raise a model family.

Catherine Baresich has advanced from her position as baby sitter to a receptionist for a local dentist.

Paul Barclay has furthered his voice training and now has his own program on radio station OKU once a month.

Dorothy Barron has moved and now lives near Blue Moon. She is having quite a time keeping her children from going there.

Lucy Berardi advertises the "Sparkly, Pearly Toothpaste" and has been chosen by famous dentists of the world as the "Girl with the ideal set of teeth."

Dorothy Bizub and that famous "Richie Lewis" have developed the most topnotch orchestra of today. Among their many engagements is a personal appearance at the "Green Room", Nemacolin, Pa.

Wilma Blaker is married to the only man she ever loved, Carl. He is now fourth vice president of U.S.C.O. Wilma sews for her neighbors to help care of her growing youngsters.

Neadine Blevins who will be remembered as being so patient is now governess of Winny Rockefeller X.

Frank Bodnar is manager of a business concern which deals entirely with aiding high school classes to raise money. It proves to be successful.

Genevieve Buday who married immediately after graduating is residing in Bobtown, devoting her time to family life.

JUNIORS

JUNIOR HISTORY

When we entered Cumberland Township High School as freshmen, we found it a little difficult to become accustomed to our new school life. However, within a few weeks we were quite capable of finding our way around to our classrooms via the right stairways. As freshmen our activities were limited to observing most carefully how our august upperclassmen were conducting themselves in order that we might someday proudly step into their shoes. Our officers for our first year were: Edward Palone, president; Lawrence Bruce, vice-president; William Cihon, secretary; Michael Korcheck, treasurer.

As sophomores we were more confident and that year we began to take a definite part in school activities. Our first social event was a skating party at Fern Cliff and our first athletic triumph was the winning of the pinball and basketball championship by our girls. Our officers for this year were Mary Williamson, president; Stanley Yandura, vice-president; Ann Medunic, secretary-treasurer.

As juniors we were at last upperclassmen and assumed the responsibilities that the name implies. We sponsored one of the biggest social events of the year, the Cinderella Ball. We gave to the football team such stars as D. McClarren, W. Cihon, E. Palone, M. Korcheck, J. Katusa, M. Harrison, W. Cole, E. Wozniak and G. Prady. At the head of our list for basketball were: M. Korcheck, W. Cihon, E. Palone, W. Cole, J. Katusa, G. Novotny, D. McClarren and J. Prelesnik.

Our junior class officers, William Cihon, president; Louis Wielkiewicz, vice-president; Carter Dowlin, secretary; Louann Davidson, treasurer, were capable leaders for the class of '49' who like the famous "49ers" of a century ago is striving to make progress.

To our seniors go our heartiest wishes for success in whatever they may choose to do.

SOPHOMORES

SOPHOMORE CLASS HISTORY

When we returned to Cumberland High School in the fall of '47, it was with more confidence than we had known the year before. Gone was our shyness, our fear of initiation, our awe of the upperclassmen. We had passed that stage; we were sophomores now.

The officers we chose to represent our class were Angelo Valli, president; Jo Ann McCann, vice-president; Isabelle O'Laughlin, secretary; Dolores Sredinsky, treasurer. Again this year a delegate from each home room was chosen to represent us in the student council. Mary Brody, Steve Korcheck and Fred Novak were chosen as the sophomore representatives.

We were well represented in such organizations as band, girls' chorus and many of the clubs.

As for school sports, the sophomore class can well boast of its athletes. Black, Cerquera, Fetsko, Hillsman, Korcheck, Medunic, Novak, Schifko, Urbany, and Valli are the boys who participated in football. Cybak and Lapsevich served as managers. Fred Novak and Steve Korcheck are already regulars on the varsity basketball team. This year we chose our motto, "Always forward, never backward." Keeping this in mind, we look forward to the years we shall spend in Cumberland High. We shall strive to make them better than those we have left behind.

FRESHMEN

FRESHMAN HISTORY

We entered our exciting new school life with much enthusiasm on September 2, 1947. We tried hard to put on that nonchalant appearance but inwardly we were very much confused.

On that day we were cordially (?) greeted by the upperclassmen with the usual "F"s" and dunkings. There was great rejoicing among us when it was rumored that there would be no further initiation; but, alas, the upperclassmen simply were not satisfied. It was announced later that on September 19 we were to be properly initiated into Cumberland High. We were given these requirements: girls to dress as boys with patched clothes, one sock, one stocking, no cosmetics, hair straight on one side and pigtails on the other; boys to dress as girls with midriff blouses, skirts upside down and wrong side out, one sock, one stocking, make-up, and a turban. Both boys and girls were to wear a sign advertising the Scottdale game. We marched down town accompanied by the band, student council, cheerleaders and the senior class. There was no doubt about it, we were the main attraction. After every one had enjoyed a good laugh at our expense we returned to the school building and marched single file across the stage. Prizes were awarded to Alice Hanko and Benny Glover for being the best dressed, and to Robert Frazier and Frank Novak for the best signs.

Now that we were officially a part of Cumberland High we settled down and studied, and since then we have taken an active part in all school activities. We elected our class officers and student council representatives and sponsored our first activity, a sweater hop, in February.

We now feel quite at home in C.T.H.S. and are anxiously awaiting next year and years to come when we will be upperclassmen.

FOOTBALL

With a new school year came a new football season which began with sixty-five candidates who were determined to become a part of the big eleven. Under the strict training of coaches Al Cree and Joe Sika these candidates emerged as the Greene County Champions.

After three weeks of training the Mikes went into action against the Masontown team only to be beaten but not without giving them a battle.

Downing the disgrace of a loss the Mikes came back the following week to beat East Bethlehem. This game saw Mr. Cree sending in everything but the benches and water boys.

The next week found the Mikes taking over a strong Scottdale team. In this game, guard Andy Bandish, threw a Scot back in the end zone for the first score. After nip and tuck battle, Red Anderson blocked a kick for the Mike's final tally.

After two straight victories and being classed the underdogs, the Mike's traveled to Trinity. In this game, Melvin Harrison, played spectacular football. With only two minutes to play—the Mikes out in front by a single score—the Trinity high eleven tied the game.

Our next game found us coming up against a rival Mapletown team. Classed the underdog again the Mikes came for revenge for last year's tie. With Dick Waine recovering a fumble, Tom Pevarnik blocking a kick and Melvin Harrison snaring a Maple aerial the Mikes found it easy to put away the Maples for another year.

The following week found the Mikes in one of their best games of the year when we came up against the ancient rivals, Jefferson. We were definitely slated to lose.

In this game the Jeffs scored in the second period after a long tough drive only to find the Mikes scoring in two plays when Mike Korcheck ran the kick back into Jeff territory and then threw a pass to Red Anderson who went the rest of the way for a touchdown. The Jeffs then scored again in the third period after a long drive. The game was a see-saw affair, until Andy Bandish blocked a Jeff kick. Capitalizing on that break the Mikes scored and Cihon with his able toe kicked the extra point to give us a one point lead which meant the game. The Jeffs came back with a tremendous drive which ended on the three yard line when the final whistle blew.

After that stunning victory the Mikes met Waynesburg in a game which decided the championship of the county. Playing heads-up ball the team easily brought home the bacon. This game also saw our star quarter back Mike Korcheck receive a severe shoulder injury to put him off the gridiron for a few weeks.

With the Greene County Championship under their belts the Mikes met North Union. Without too much opposition the Mikes added another victory.

For their last game of the year the Mikes traveled to New Brighton for another win. Eddie Palone was the star of the game by making a brilliant fifty-two yard run only to be tackled from behind just short of a touchdown.

FOOTBALL

Members of the squad lost by graduation are: Anderson, Bandish, Markiewich, Pevarnik, Olschesky, Waine, Bodnar, McKeever, and Pakish.

Those boys who made the Greene County team were Anderson, Markiewich, Pevarnik and Korcheck.

Second team laurels went to Cihon, and honorable mention went to Waine, Olschesky, Bandish and Palone.

VARSITY BASKETBALL

The Cumberland Twp. High School basketball team of 1947-48 under the able guidance of their coach Al Cree, though not very impressive in the earlier part of the season made a brilliant finish and walked off with the Section 19 title and thereby advanced to the Quarter Finals in the W.P.I.A.L. playoffs.

The "Mikes" starting lineup, without a regular returning from the previous season, was composed of Christy and S. Korcheck as forwards; Clarchick at center and Cihon and M. Korcheck at the guards.

Entered in Section 19 of W.P.I.A.L. play the "Mikes" held double victories over each team with the exception of Maple-town, who by close margins, took both games and threw the sectional title into a two way deadlock. This resulted in play-off game which the "Mikes" took easily.

Earning the right to represent our district in the W.P.I.A.L. playoffs the "Mikes" traveled to Donora to meet the Vernon "Bulldogs" of Section 20.

In a bitter game, which was not decided until the last few minutes, the "Mikes" were edged out by the margin of six points.

Christy, captain of the "Mikes" and Mt. Joy will be the only members of the squad lost by graduation.

Mt. Joy having been handicapped by illness throughout the season did not see much varsity action.

In addition to the regular players, there were several other boys out for basketball practice the entire season.

TRACK

Spring sports always have a place on the sports agenda at Cumberland and high on that list is track. Practice was somewhat hampered last spring by weather and track conditions, but as soon as it was possible, the boys, under the able guidance of Mr. Czajka, romped into condition to compete against rival cinder champs. The Mikes competed in three meets: a triangular meet at Brownsville with Trinity, Brownsville and Cumberland competing; a Greene County meet with Mt. Morris, Jefferson and Cumberland as contestants, and the W.P.I.A.L. contest. Of all the competitors at C.T.H.S., Harold Jackson was the only one to have the honor of competing in the state contest at State College where he placed fifth, in the javelin throw.

The results of the Brownsville contest were: Trinity, 52½; Brownsville, 39½; Cumberland, 35. At the Greene County meet the final tally was: Mt. Morris, 8; Jefferson, 41; Cumberland, 67.

MIKE STAFF

The Mike, our school newspaper, was first published in 1933 and since that time it has continued to be very popular among the students. The Mike is published by members of the four classes and contains such features as sports, fashions, alumni news, exchange, gossip and jokes.

This year it was decided that the Mike be mimeographed. This type of paper seems to be more popular with the students. Advisors are Miss Ersagovich and Miss Ciosmak.

The following seniors will leave the staff this year; Dorothy Krucker, editor; Dolores Bankovich, feature; June Holupka, exchange; Betty Bankovich; alumni; Audrey Sloboda, personal; Catherine Saures, reporter; Emily Gusich, Helen Herbik, Dolores Palcko, and Dorothy Bizub, typists; Joe Markiewich, artist; Jack Hartley, advertising manager; Lucy Berardi and Mary Holupka, mimeographers and Jack Hartley, business manager.

NATIONAL HONOR SOCIETY

In 1921 the Department of Secondary School Principals established the National Honor Society. We have been a charter member since 1938.

The Society's purpose is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools.

This year there are 21 members, all of which will receive pins and membership cards.

An educational trip to Washington, D. C. is now being considered by the members.

The sponsor is Mr. Kerr and the officers are: Charles Koral, president; Dolores Palcko, secretary; Dominick Christy, treasurer.

STUDENT COUNCIL

The Student Council was re-organized a few years ago after a period of inactivity. It is under the sponsorship of Mr. Felix Palone.

The purpose of this organization is to recognize new clubs, give approval to and take charge of all school activities, and supervise the extra-curricular activities in the school.

The officers are elected by the student body. They are: Dominick Christy, President; Jack Schlifer, Vice-president; Betty Bankovich, Secretary-treasurer.

CAMERA CLUB

The Camera Club is one of our newest clubs. It was organized in 1947 under the sponsorship of Mr. Frank Gavlak. Since the club was organized it has painted a darkroom and has written the constitution for the club. Future plans are to buy cameras and darkroom equipment. Immediate plans for raising money are to have a sweater hop and to sell postal cards with the picture of the high school on them.

The object of the club is to give the students training in photography, to extend the services of the club to the school and its members at a minimum fee and to encourage photography among students that are not members. The club is divided into two groups. One group is for freshmen and sophomores, and the other for juniors and seniors. To get into the junior-senior group, the freshmen and sophomores must have a fundamental knowledge of developing and printing pictures.

The officers of the junior-senior group are: Steve Haloski, President; Fred Gray, Vice-president; Mary Holupka, Treasurer; Dorothy Voytek, Secretary. Officers of the freshmen-sophomore group are: John Fetsko, President; William Novak, Vice-president; Mary Ainsley, Secretary and Edward Schifko, Treasurer.

Its officers are: president, William Doody; vice-president, Louise Wilkovich; secretary, Jeanette Grant; treasurer, Louann Davidson.

One of the outstanding events for its members is the annual trip to the American History Conference in Pittsburgh.

HUMOR

When a housewife answered her front door she was confronted by a colored lady who said:

"Does you need somebody to help you with the housecleaning?"

The housewife asked what she charged.

"Ah gets a half dollar an hour for straight work," came the reply, but when Ah bends Ah gets 75 cents."

Lillian Koroly received and accepted a proposal of marriage. Then she began worrying about her store teeth—she hadn't mentioned them to her future husband. So she asked her doctor what she should do—tell him or not. The doctor replied: "Get married and keep your mouth shout."

Dick Waine: "So you lost your girl. What happened pal?"
Regis Vrana: "Aw, like a dope, I flattered her so that finally she got too proud to speak to me."

Junior Christy: "Are you the barber who cut my hair last time?"

Bill Valenica: "I don't think so. I have only been here six months."

Mr. Venen: "Jack, you are twenty minutes late again. Do you know what time we begin classes here?"
Jack Schlifer: "No, sir, they are always started when I get here.

Mrs. Gdovka: "I don't want any more flour like you sold me last week."

Grocer: "What was the matter?"

Mrs. Gdovka: "It was so tough that the girls in my cooking classes couldn't eat the biscuits they made with it!"

Katy Baresich (in drug store): "I want a small pink tablet."

Druggist: "What's your trouble?"

Katy Baresich: "I want to write a letter."

BAND

This last year has shown an increase in the size of the band which now consists of 60 members. The Band also has greatly improved in musical ability. This is due to the special period for band rehearsals and also through the efforts of our full time musical director, Mr. Franks.

The band was a major attraction at the football games during the past football season.

Plans are being made to hold a concert in May, and also to compete in the annual May Day parade held in Uniontown. Mitchell and Decoration Day parades will also be attended by the Band.

CHORUS

The Girls' Chorus, under the direction of Mr. Franks, has been very active this year. They have participated in the Coronation and Christmas programs and will also take part in Baccaalaureate Services.

Plans are being made for a Spring tour of Fayette County as well as a radio broadcast.

There are 46 members and their accompanist is Renelda Thompson.

KNICKERBOCKER CLUB

The Knickerbocker Club is one of the newest clubs in school. It was organized in 1947 under the sponsorship of Mr. Pennline.

The purpose of this club is to arouse competitive spirit, to teach required behavior at social events and other school activities, to discourage card playing as a means of gambling and to promote good fellowship.

In order to become a member, a student must be voted in by the membership, live up to the club standards and specify why he wants to become a member.

The officers are: Joe Katusa, president; Charles Pauza, vice-president; Jack Hartley, secretary; Bill Nichols, treasurer.

GIRLS' "C" CLUB

The Girls' "C" Club is probably one of the oldest organizations in school. The club is made up of junior and senior girls but all the girls work to become members when they are freshmen and sophomores. Miss Harriette Baily is the sponsor of the club.

To be eligible for membership, a girl must earn 1000 points. These points can be acquired through good sportsmanship, gym work, attitude toward schoolmates and faculty, activities in and out of school, school spirit and an average scholastic standing.

This year the senior members received sweaters, pins, and letters.

The club held a sweater hop during the year and also helped in the stands during the football games. The games which were held at noon were also conducted by the club.

The officers are: Emily Gusich, president; Dolores Bankovich, vice-president; and Lucy Berardi, secretary-treasurer.

First Row: N. Blevins, L. Berardi, A. Tassone, J. Taylor, W. Blaker, D. Barron, A. Sloboda, D. Bizub, D. Palcko. **Second Row:** D. Bankovich, E. Gallo, C. Baresich, E. Kasinec, E. Gusich, D. Kastura, Miss Baily—sponsor, H. Herbik, D. Krucker, B. Markulic, D. Jazwa, V. Kerr.

SCHOLASTIC CLUB

This club was organized last year by Mr. B. H. Crago. Only those who have been contenders in some scholastic event in which this school has participated are elegible for membership.

The purpose of the club is to promote scholarship within the school by helping the teachers with educational programs, and striving to attain higher scholastic standing within the organization.

The club's slogan is "Exercise the Brain."

Officers are: president, William Doody; vice-president, Betty Markulic; secretary, Mary Williamson; treasurer, Joe Lapsevich, sergeant at arms, Richard Waine.

VARSITY "C" CLUB

The Varsity "C" Club was organized in 1922. This club consists of the boys who have won varsity letters in football, basketball, baseball and track and also the managers who have earned their varsity letter. To earn a letter in football, basketball and baseball depends upon the amount of participation in the varsity games. In track it depends upon the number of points scored and also the recommendation of the coaches.

The organization has been responsible for providing means for the football, basketball and baseball players to attend college football and basketball games and big league baseball.

Mr. Cree is the sponsor of the Varsity "C" Club and the officers are: Tom Pevarnik, President; Dominick Christy, Vice-president; Frank Bodnar, Secretary-treasurer.

First Row: G. Prady, B. Cihon, B. Doody, J. Lagsevich, D. Christy, M. Cree—sponsor, D. McClarren, E. Palone, M. Ketchem, M. Korcheck. **Second Row:** T. Pevarnik, B. Olschesky, A. Bandish, S. Korcheck, C. Anderson, J. Katusa, R. Waine, F. Bodnar, J. Markiewich, M. Harrison.

CHEERLEADERS

The cheerleading squad, this year, consisted of six girls. Two seniors, Lucy Berardi and Dolores Palcko; three juniors, Margaret Gency, Juanita Jaynes and Muriel McFarlane; and one sophomore, Jeanne McLaughlin. They were ably directed by Miss Jean Good and Miss Harriette Baily.

The two senior members received sweaters with four stripes. Every girl that has been a cheerleader for her four years in high school will receive her sweater when she is a senior. The group also received new uniforms this year, consisting of gold sweaters and navy blue skirts.

Due to the loss of two girls this year, some new cheerleaders will be chosen next year.

They will have a regular practice period every day. The only member to be lost by graduation this year is Audrey Sloboda.

CLASS RING

After anxiously waiting and dreaming of the day—it finally comes! You look down at your newly adorned finger and there it is—your class ring. There may be hundreds like it but this one is yours. To you it means—just what does it mean? It is a symbol of loyalty, loyalty to out school, the best ever, loyalty to our friends and classmates, none truer can be found. It is a link between the present and the future, always there to revive the happy memories of days at Cumberland High. It represents twelve of the most happy and carefree years of our lives. It represents twelve of the most important and formative years of our lives. It is all this which makes our ring our most cherished possession.

CLASS SONG

Now is the hour, when we must say good-bye
To our Alma Mater, Dear old Cumberland High,
We bid a fond farewell, to friends we hold so dear,
When we are far away, We'll think of all these years.
Now is the hour, when we must say good-bye
Thoughts of our leaving, bring teardrops to our eyes
A smile is on our face, we hold our heads up high,
What we become some day, we'll owe to Cumberland High.
